Maras Group in running for Global People's Choice Stevie® Awards

Updated 6 September 2013

Local property identity, Maras Group, is in the running for the 2013 People's Choice Stevie® Awards for Favorite Companies, a feature in the International Business Awards, which are now in their 10th year.

The general public worldwide will vote for their favorite companies until September 18.

"This is incredible recognition for our company and the efforts of all our staff in what has been a very challenging retail and economic climate. It is also tremendous for South Australia and helps to build our State's profile and exposure on a global scale," says Maras Group MD and CEO, Steve Maras.

Last month, Maras Group was named the Gold Stevie Award winner in the International Business Awards for Company of the Year (Real Estate Category). The win qualified Maras Group for the 2013 People's Choice Stevie Awards for Favorite Companies; it has also brought further recognition to Maras Group's work and leadership in the Mainstreet industry.

Maras Group's work over the past two decades, particularly in the East End district of Adelaide's CBD has seen Rundle Street East recognized as South Australia's Best Mainstreet [2012 Mainstreet SA Awards] and heralded nationally and internationally as a model, fully functioning mixed-use Mainstreet precinct.

When the Stevie Awards were announced last month, Maras Group collected 10 awards, including four Gold Stevies and a Grand Stevie for making the world's "Top 10" companies for 2013. Maras Group took out four of the eight Gold Stevie Awards that were awarded to Australian-based companies.
