Maras Group rallies local support for Stevie Peoples Choice tilt

Updated 17 September 2013

Adelaide-based retail enterprise, Maras Group is in the race for the "People's Choice" Stevie Award ("Services" category) in The 2013 International Business Awards and is seeking local support to get over the line.

"We found out last Friday night via an Interim Vote Report that we're currently running 2nd globally (??) behind the Masoutis Supermarket group, ironically out of Greece (huge chain of over 250 supermarkets)," says Steve Maras.

"This clearly gives us some real 'patriotic motivation' to topple them! Following us is a major real estate group in the UK, a global law firm from the USA, an energy supply company out of Korea, and others.

"Voting closes at midnight this coming Wed, 18/9. If you wish to support us in this, please click on the link below, then click on "Services", then "Maras Group", then "Vote Now", and simply fill in your details. It will take all of 30 seconds.
